Rules & Regulations

The following Rules and Regulations, along with the terms and conditions of the application for exhibit space, are an integral and binding part of your contract with AAPB.

Additional Representative Registration

Each exhibitor is allowed two representatives per booth without charge. This entitles the representatives to attend all sessions. Badges for additional sales representatives may be purchased in advance or onsite for \$90 per person. These badges are for extra sales personnel only. These badges DO NOT permit attendance to the sessions. Limit two additional badges per booth.

Assignment of Exhibit Space

Every effort will be made to assign the exhibitor the first choice of locations or as near the first choice as possible. When two or more exhibitors ask for the same booth location, booths will be assigned in accordance with a priority point system. However, AAPB reserves the right to assign space, reassign booths and/or redesign the exhibit area as may be necessary for any reason bearing on the best interests of the meeting, regardless of priority points. Space allocations will be based on all priority points accumulated through January 1, 2013. Contracts received after January 2, 2013 will be considered on a space available basis. AAPB reserves the right to refuse or restrict space for any reason.

Priority points are assigned on the following basis:

- 10 points per booth per year exhibiting
- 5 points for each \$500 contributed to sponsorship of an Annual Meeting event in 2013
- 5 points for each \$500 contributed to FERB in 2013
- 5 points for each \$500 spent on promotional opportunities in 2013
- 15 additional points to AAPB organizational members

Points acquired based on the scale above in 2013 will be applied toward the 2014 Annual Meeting.

Exhibit Hours and Installation

The Association reserves the right to make schedule changes of the Exhibit hours at its discretion. The exhibit area will be open to exhibitors for 1/2 hour prior to the scheduled show opening. Exhibit space will not be released to the exhibitor until all conditions, as set forth in these rules, are met. All exhibits must be fully operational by 12:00pm, Thursday, March 14, 2013.

Disclosure

The following information will be printed in the onsite program:

1. Some of the products exhibited here may not be proven effective for the suggested applications. All claims should be considered carefully.
2. Some of the equipment being exhibited may not have been registered by the FDA or declared safe and effective.
3. An FDA declaration of safe and effective for one use may not apply to uses being promoted here. Please check with each vendor to assure yourself regarding the FDA status of any device you are considering.
4. AAPB makes no endorsement, either stated or implied, by selling booth space to any vendor or for any device.

Hotel Use

AAPB reserves the right to control suite reservations and meeting space at the hotel. No exhibitor will be allowed access to a hotel suite to circumvent the AAPB Exhibits. No social functions may be scheduled during the AAPB Meeting events. If space is needed, you must submit the request for approval.

Exhibit Design/Construction Requirements

Exhibitor identification in all AAPB publications and on all signs and booth graphics must be the one company name submitted on the Application for Exhibit Space. Overstatement in the design is to be avoided and attention-getting devices such as balloons, flashing signs or lights are prohibited. Exhibits must render a safe assembly during installation, dismantling and exhibition periods. Materials used in the exhibit area must be flame retardant in accordance with the City Fire Ordinances. Electrical equipment and display components must conform to the City Electrical Code. No part of any exhibit may be suspended from or attached to any part of the exposition facility.

To maintain uniformity and to prevent obstruction of the view of adjoining booths, displays must not be higher than 8' in the back and 3' high along dividers and aisles. No walls, partitions, decorations, or any other obstructions may be erected that in any way interfere with the view of any other exhibit. Exhibitors desiring to use other than standard booth equipment or any signs, decorations, or arrangements of display materials conflicting in any way with these above regulations must submit two copies of a detailed sketch or a proposed layout at least six weeks prior to the opening of the exhibit, and must receive written approval from the Meeting Manager.

Exhibit Area Attendance/Badge Control

Exhibit area attendance is restricted to qualified exhibitors and those covered under the AAPB Registration procedures. Exhibitor representatives must be in the space rented on the exhibit floor and are not admitted for the purpose of viewing other exhibits, except by invitation of other exhibitors. Badges are to be worn at all times. Anyone in the working area of a booth who is not wearing an identifying badge may be asked for identification by security personnel. The Meeting Manager must approve any additions or changes in booth personnel made during the Meeting.

Exhibitor badges may be made out only in the name of the company shown on the application for exhibit space. False certification of individuals as exhibitors' representatives, misuse of exhibitors' badges, or any other method or device used to assist unauthorized personnel to gain admission to the exhibit floor will be cause for expelling the violator from the exhibit area, banning further entrance to the exhibit floor, or removing the exhibit from the floor without obligation on the part of AAPB whatsoever.

Rules & Regulations (continued)

Guest Badges

Every effort will be made to assure that only properly identified and authorized registrants enter the exhibit areas. To this end, guest badges will be available by request for each company at Exhibitor Registration. Guest badges will allow admittance to the exhibits only. Replacement badges will not be available. Guest badges are not to be used by exhibit booth sales personnel. Misuse of the exhibitor guest badge system may result in the expulsion of the exhibitor and the guest from the exhibit hall and is considered a violation of the AAPB Rules and Regulations.

Presentations

All activities of each exhibitor, its employees and/or agents during the AAPB Annual Meeting, which are directed toward AAPB meeting registrants, must be confined to the exhibitor's booth space. The exhibitor is responsible for any and all fees that may be due for the use of copyrighted music used in audio presentations. No exhibits, displays or advertising material of any nature will be allowed in hotel rooms unless approved in writing by the Meeting Manager.

Subleasing/Sharing

Subleasing of exhibit space is strictly prohibited, nor may two companies share the same leased space including companies who purchase multiple booths. Each exhibiting company is required to complete an application in order to exhibit. Squatters are strictly prohibited in the AAPB Exhibit Hall. AAPB reserves the right to dismiss a company who has not paid for exhibit space.

Press Conferences

Press conferences by exhibitors on the exhibit floor during exhibit hours are prohibited. All news conferences must be coordinated with the AAPB staff.

Entertainment or Social Functions

No entertainment or social functions may be scheduled to conflict with the official AAPB program, scientific or technical exhibit hours. Requests for use of function space at the facility must be made in writing to AAPB. Upon receipt of a request for function space, AAPB will notify you if space is available and if any space rental fees are required. It is the responsibility of the exhibitor to finalize arrangements with the hotel. For additional information please contact the Meeting Manager.

Photography

Picture-taking, other than by the official photographer, is prohibited during setup, dismantling and non-exhibit hours. Cameras will not be allowed on the exhibit floor during these times. Each exhibitor has control over the space he/she has rented and has the right to refuse those considered its competitors from gaining access to, photographing, videotaping or otherwise mechanically recording his/her exhibit or presentations.

Care of Exhibit Space

The exhibit and booth area must be maintained and kept in clean and good order in accordance with these Rules and Regulations and all other applicable rules and ordinances.

Dismantling/Removal of Exhibits

Each exhibitor will complete arrangements for removal of material from the Exhibit Area in accordance with these rules and the instructions provided in the Exhibitor Service Kit. No packing or dismantling of exhibits will be allowed until the official closing of the exhibit hall at 6:30pm on Saturday, March 16. All exhibit material must be packed and ready for shipment by 8:00pm. All space occupied by an exhibitor must be surrendered in the same condition as at the commencement of occupation.

Eligibility for Exhibiting

AAPB reserves the exclusive and total right to determine the acceptability of applications for exhibit space. Applications must meet all of the following criteria.

- The products or services to be exhibited are of professional or educational interest or benefit to the registrants and are directly related to the field of applied psychophysiology and biofeedback in the opinion of AAPB.

- The applicant agrees to comply with AAPB's Rules and Regulations governing Exhibits.
- The application, fees and any required documents are received prior to the established deadline.
- AAPB reserves the right to refuse a booth to any applicant.

No refunds will be granted to an exhibitor after February 11, 2013. If the meeting/exhibits should be cancelled due to circumstances beyond the control of AAPB or the hotel, all payments connected with the booth rental will be refunded.

Security

Each exhibitor is responsible for safeguarding its goods, materials, equipment and exhibit at all times. General security service will be provided by AAPB for the exhibition period, but neither the security service nor AAPB will be responsible for loss of or damage to any property.

Fire Regulations

All doors and openings must be kept clear. Exit signs, fire alarms, and extinguishers must be visible at all times. Combustible decorations shall not be used. All packing containers, excelsior, wrapping paper, etc., are to be removed from the floor and must not be stored under tables or behind displays. All muslin, velvet, silken or any other decorations must be able to stand a flameproof test. For additional information, please contact the official decorator.

Rules & Regulations (continued)

Liability and Insurance

The exhibitor, upon contracting to exhibit, agrees to protect, indemnify, defend and hold harmless AAPB and its officers, directors, employees, committee members and agents, and the Hilton Portland Executive Towers and its officers, directors, employees and agents from any and all claims, losses, damages, injury or expenses arising out of or caused by exhibitors' installation, removal, maintenance, occupancy or the use of the exhibition premises or a part thereof or other activities or functions of the exhibitors. The exhibitor acknowledges that it is responsible for obtaining insurance coverage in such amounts, as it deems appropriate to comply with its obligations herein and for its own protection.

AAPB will not be responsible for delays, damage, loss or other unfavorable conditions caused by circumstances beyond its control. Under government order or emergency, or other fair reasons beyond its control, AAPB reserves the right to cancel the show with no further liability to the exhibitor than full refund of space rental payments made. AAPB reserves the right to change the location of the exhibition in the event a strike, fire, or Act of God should render unusable the hall in which the exhibition has been scheduled or any other meeting facility.

Interpretation and Enforcement

These regulations become a part of the contract between the exhibitor and AAPB. AAPB has full power of interpretation and enforcement of these rules and its decision is final. All matters in question not covered by these rules are subject to the decision of AAPB and all decisions so made shall be binding on all parties. Those who fail to observe these conditions in this contract or, in the opinion of AAPB, conduct themselves unethically, may be dismissed from the exhibition without refund or other appeal.

Violations and Penalties

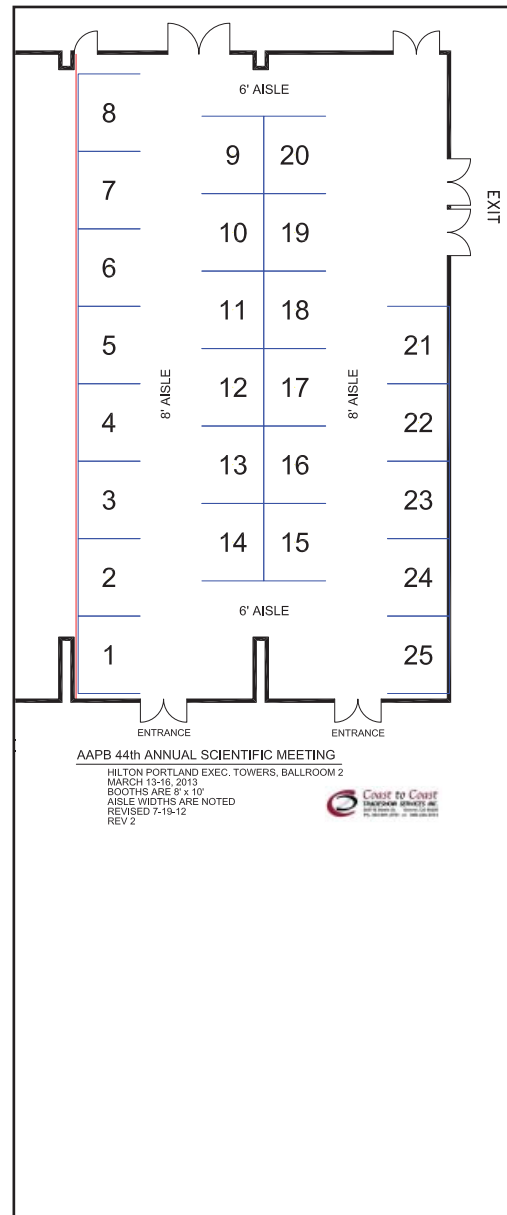

Upon evidence of substantial violation, AAPB may take possession of the space occupied by the exhibitor and remove all persons and goods. The exhibitor shall forfeit to AAPB all monies paid or due, and pay all expenses and damages that AAPB may incur through the enforcement of this rule.
