COMMENTS FROM 2008:

I am always impressed with how much there is to learn about different techniques other organizations are doing and how I can apply them to my smaller organization.

Excellent presentation and very relevant not only to our industry, but also to our daily jobs.

Very good program & speakers—this was my first AHIA conference. I've been to a lot of professional conferences over past 20+ years and I thought this was very well done.

Outstanding speaker!! Great information!

*Relevant topics. Well organized and administered conference.
Best AHIA Conference yet.*
