Marriott Marina is pleased to offer various options of assisting with your personal fitness programs. Our 24hour fitness center is located on the 4th floor of the south tower, and this map suggests a scenic jogging route beginning at the hotel... The first loop takes you along the bay to the airport; the second around the bay through the quiet Harbor Island Drive. This jogging course entails all usual hazards of urban jogging. You are advised to use reasonable and prudent efforts to ensure your personal security, and that you use the course only during daylight hours. The San Diego Marriott Hotel & Marina does not patrol or control the jogging course, and accordingly assumes no responsibility for the safety of persons using it. Joggers jog at their own risk.
