Cognitive Science Society

2017 Membership Application

Secure on-line Join/Renew link available at www.cognitivesciencesociety.org

Membership Benefits

The Cognitive Science Society, Inc. brings together researchers from many fields who hold a common goal: Understanding the nature of the human mind. The Society promotes scientific interchange among researchers in disciplines, comprising the field of Cognitive Science, including Artificial Intelligence, Linguistics, Anthropology, Psychology, Neuroscience, Philosophy, and Education.

Membership in the Society includes:

- web-based electronic access to *Cognitive Science Journal* and *Topics in Cognitive Science (TopiCS)*
- reduced registration fees at the Annual Meeting of the Cognitive Science Society
- reduced subscription rates to the journals *Trends in Cognitive Sciences*, *Trends in Neurosciences*, and *Connection Science*
- reduced subscription rate to the *Journal of Experimental and Theoretical Artificial Intelligence*
- discounted book prices from select publishers
- online access to Policy Insights from the Behavioral and Brain Sciences

* **Please Note:** CSS uses emails for communication with members for updates, renewal notifications and information about upcoming events. Your name and data may be provided for third-party use, including transfer outside your country of residence and/or the European Economic Area (EEA) as applicable, for the purpose of commercial direct messages. **Please provide us with a viable email address.** Also, please be sure to configure your email program to accept communications from info@cognitivesciencesociety.org. You might also want to contact your email server administrator to make sure that messages from this address get through to you.

Thank you!
