

Earn Additional CEU's!

NEW THIS YEAR! SNRS is recording all educational sessions. Upgrade your annual conference registration to include an **All-Session pass** which entitles you to receive additional CEUs post-conference over the maximum you could earn if you attended all available sessions at the conference. We will be recording all sessions from 4:00 pm on Wednesday, March 21 - Saturday March 24, 1:00 pm. **Our All-Sessions pass does not include the Wednesday pre-conference workshops.**

HOW IT WORKS: When the recorded sessions are available, shortly after the conference, you will receive a link to access this exclusive benefit. After viewing your sessions, fill out the online evaluation form and a CE certificate will be provided to you to save or print out. This is available to conference attendees before the conference for only \$50 when you add it to your conference registration (excludes pre-conference only registrations).

Not able to join us at the conference? Purchase the **before conference All-Sessions pass remote attendance only** and you will receive access to all of the recorded sessions at the meeting from 4:00 pm on Wednesday, March 21 - Saturday, March 24, 1:00 pm which will entitle you to receive 25 CEUs (if all sessions are watched and the evaluation is completed). This pass can be found in our online store or by following the below link. **Our all Sessions pass does not include the Wednesday pre-conference workshops.**
