Augusta, GA 30912
Phone: (706) 721- 2469
www.augusta.edu

Established in 1943, Augusta University College of Nursing has a proud history of excellence and innovation. We offer nationally ranked graduate and online programs that are fully accredited by the Commission on Collegiate Nursing Education as well as state-of-the-art facilities, integration of simulated learning, and opportunities to engage in cutting-edge research.

Case Western Reserve University, Frances Payne Bolton School of Nursing – Booth #110

2120 Cornell Rd.
Cleveland, OH 44106
Phone: (216) 368-2529

Council for the Advancement of Nursing Science – Booth: #107

1000 Vermont Ave., NW, Suite 910
Washington, DC 20005
Phone: (202) 777-1166
www.nursingscience.org/home

The Council for the Advancement of Nursing Science (CANS) is an initiative of the American Academy of Nursing. It is an *open member*, national organization whose mission is better health through nursing science. Goals of CANS are: To be a strong voice nationally and internationally in support of the development, conduct and utilization of nursing science; Share, translate and disseminate nursing science; Facilitate and recognize life-long nursing science.

East Carolina University, College of Nursing - Booth: #105

4205 J Health Sciences Bldg
Greenville, NC 27858
Phone: (252) 744-6380
www.ecu.edu/nursing

East Carolina University College of Nursing is committed to advancing nursing science by supporting research that aims to improve healthcare, especially in rural underserved regions. Focus areas include system science and bio-behavioral research. Our health science campus offers opportunities for interdisciplinary research with medicine, allied health, dentistry, and other disciplines.

Emory University – Booth #100
Nell Hodgson Woodruff School of Nursing

1520 Clifton Road, N.E.
Atlanta, GA 30322
Phone: (404) 7272-6923
www.nursing.emory.edu

Emory University's Nell Hodgson Woodruff School of Nursing is committed, through its faculty's research and its PhD program, to improving human health and health care through the discovery of new knowledge and its translation into practice. Visit us at Booth 100 for information about the PhD program and faculty positions.

Florida Atlantic University – Booth #104

777 Glades Road, NU84
Boca Raton, FL 33431
Phone: (561) 297-3207

Florida International University – Booth #101
Nicole Wertheim College of Nursing and Health Sciences
11200 SW 8th Street AHC-3 #520
Miami, FL 33199
Phone: (305) 348-7718
www.cnhs.fiu.edu

The PhD program in the Nicole Wertheim College of Nursing & Health Sciences at Florida International University offers a MSN to PhD and BSN to PhD. The program's purpose is to prepare nurse researchers who generate and apply the science needed to guide practice, inform policy and improve health.

Friends of the National Institute of Nursing Research – Booth: #203
47595 Watkins Island Square
Sterling, VA 20165
Phone: (443) 570-0346
www.fninr.org

Friends of the National Institute of Nursing Research (FNINR), helps to provide resources to support nursing research and advance the mission of the NINR. FNINR supports research-based nursing practice by educating nursing professionals and the public about the advances made through nursing research and its benefits to patients, families, the community, and the delivery of health care.

The Friends focuses on educating members of Congress on the federal level about the findings of nurse scientists and the efforts they provide in improving the quality of health care and patient outcomes in communities across the nation. We actively advocate for increased funding for NINR to encourage research in a wide spectrum of clinical practice settings.

Intellectus Statistics – Booth #106
1825 Sunset Point Road
Clearwater, FL 33765
www.intellectusstatistics.com

Intellectus Statistics is a browser-based technology enabling undergraduate and graduate students to conduct statistical analyses with context-based expert guidance. The application produces a summary of the findings in English prose, accurately interpreting the outcome of the analyses. The tool builds student's confidence, data analytic skills, and can shorten students' time-to-completion.

James Madison University – Booth #207
235 235 Martin Luther King Jr. Way
Harrisburg, VA
Phone: (540) 568-7219
www.nursing.jmu.edu

James Madison's School of Nursing's mission is to engage students, faculty, and communities through dynamic and innovative nursing education, practice and scholarship to influence health in our world. Committed faculty, quality and breadth of programs enables JMU Nursing to fully prepare students to meet the demand for increased access to quality care.

Mayo Clinic – Booth #102
200 First Street SW
Rochester, MN 55905
Phone: (480) 342-2353
www.mayoclinic.org

Mayo Clinic is an excellent choice for candidates seeking a career in a world-class academic medical center that is consistently recognized by U.S. News and World Report as one of America's "Best Hospitals." Our multi-disciplinary group practice focuses on providing high quality, compassionate medical care with a primary value that "the needs of the patient come first."

National Institute of Nursing Research (NINR) - Booth: #200

31 Center Drive, suite B1B55, Bldg. 31 / Bethesda, MD 20892

Phone: (301) 496-0207

www.ninr.nih.gov

The National Institute of Nursing Research (NINR), a component of the National Institutes of Health, supports research and training to advance symptom science, promote wellness, support self-management of chronic conditions, enhance palliative and end-of-life care, and develop the next generation of nurse scientists.

University of Arkansas for Medical Sciences – Booth: #209

4301 W. Markham

Little Rock, AR 72205

www.nursing.uams.edu

The UAMS College of Nursing provides exemplary and comprehensive educational programs (BSN, RN-to-BSN, MNSc, DNP, and PhD), conducts innovative research, and translates findings into practice at our academic health center and eight rural Regional Centers. Collaborations with Regional Centers provide rural residents access to nursing degree programs and research studies.

campus programs, the college is an educational leader in preparing nurse leaders and scholars. nursing.ucf.edu

The University of Central Florida, College of Nursing – Booth: #211

12201 Research Parkway, Suite 300

Orlando, Florida 32826

Phone: (407) 823-2744

www.nursing.ucf.edu

The University of Central Florida College of Nursing in Orlando has been educating nurses since 1979.

Renowned for clinical excellence and scientific expertise, the faculty are leading scholars and innovators in their field including two Sigma Theta Tau International Researcher Hall of Fame nurses. Focused on the future of health care and the pivotal role for nursing, the college provides a high quality education grounded in evidence-based practice.

Amidst a hub of health care activity and ranked among the best in the nation for its online and campus programs, the college is an educational leader in preparing nurse leaders and scholars. nursing.ucf.edu

The University of North Carolina at Chapel Hill, School of Nursing - Booth: #214

1200 Carrington Hall, Campus Box 7460
Chapel Hill, NC 27510
Phone: (919) 966-4260
www.nursing.unc.edu

Since 1950, the University of North Carolina at Chapel Hill School of Nursing has been developing nurse leaders and advancing health care through teaching, research, patient care and service. Carolina Nursing offers bachelor's and master's degrees, a doctor of nursing practice degree, a PhD and pre- and post-doctoral fellowships.

University of North Carolina Wilmington, School of Nursing – Booth: #204

601 S. College Road
Wilmington, NC 28403
Phone: (910) 962-7410
www.unc.edu/son

Our nursing programs are accredited by the American Association of Colleges of Nursing Commission on the Collegiate Nursing education and our NCLEX and master's certification examination pass rates are at or near 100%. Retentions and satisfaction of students are well above the expected norms. Our newest program the RN---BSN online nursing program has been ranked 7th by Online U.

University of South Carolina, College of Nursing - Booth: #114

1601 Greene Street | Columbia, SC 29208
Phone: (803) 777-3862
www.sc.edu/nursing

We invite you to join in the University of South Carolina's momentum with over 1700 students in undergraduate and graduate nursing programs shaping the future of nursing's workforce. We have a thriving research agenda with three focal areas: vulnerable populations, cancer survivorship, and health promotion/risk reduction. The college's nurse practitioner faculty operate a primary care clinic bringing quality health care to low-income neighborhoods in Columbia and provide real-world practice for our students. Visit our website at www.sc.edu/nursing.

University of South Florida, College of Nursing - Booth: #103

12901 Bruce B. Downs Blvd | MDC 22 | Tampa, FL 33612
Phone: (813) 974-2191
www.health.usf.edu/nursing

University of South Florida College of Nursing prepares 21st-century nurses to address the health care needs of local and global communities through excellence in research, education, and clinical care. Located in Tampa, the college promotes interdisciplinary research collaborations and is first in NIH funding among all universities in the state.

The University of Tennessee Health Science Center-College of Nursing – Booth: #202

Suite 1020, 920 Madison Avenue
Memphis, TN 38163
Phone: (901) 448-6917
www.uthsc.edu/nursing/

At the University of Tennessee Health Science Center (UTHSC) College of Nursing, the PhD program is designed to educate nurse scientists who will use research-based knowledge, theories, and interventions in their roles as researchers, educators, and administrators. Additionally, the Dual DNP/PhD degree option innovatively integrates advanced clinical and research programs.

University of Texas, Arlington – Booth: #213

Box 19407, 411 S. Nedderman Drive

Arlington, TX 76019

Phone: (817) 272-1038

www.uta.edu/nursing

UTA's College of Nursing and Health Innovation is a research institution with a commitment to producing nurse scientists and advanced practice nurses through its masters and doctoral programs. The College's 12 research labs focus on a variety of health issues. Its faculty attract millions of dollars in grants annually
